Songs and Prayers

Songs and prayers used in Kambo are usually received by the Practitioner directly or from their teacher. Here is a selection that you can use.

Prayers

Smudging Prayer

Creator, Great Mystery

Source of all knowing and comfort,

Cleanse this space of all negativity.

Open our pathways to peace and understanding. Love and light fills each of us and our sacred space. Our work here shall be beautiful and meaningful. Banish all energies that would mean us harm.

Our eternal gratitude.

Opening the Circle

Opening the circle is an important step in any ceremony. It helps to focus and settle the mind and create a sense of the sacred.

Some suggestions for opening your circle, complete as you wish.

I call upon the Spirit of Kambo.....

I call upon the Spirit of Paje Kampum.....

I invite you to enter into Sacred Time and Space.....

I am one with mother earth.

I am one with everyone within the reach of my voice.

And, in this togetherness, we ask the Great Spirit of Kambo to shine his light and love into our circle. To bring us healing, strength, peace and good energy. To help us overcome all obstacles, to guide our way and show us how to live in a natural flow. AHO

Great Spirit, open our hearts to peace and healing between all people. Creator, open our hearts to respect for the earth, and all the gifts of the earth. Open our hearts to the spirit of Kambo

Thank you for the gifts of this day and every day.

Thank you for the wisdom and healing of Kambo

AHO

There are also many prayers for calling in the four directions and the powers that they represent. You can use any of these as you feel. Here is an example:

To the winds of the South - Sachamama, Great Serpent Mother of the waters, wrap your coils of light around us. Teach us to shed the energies of the past that no longer serve us, the way you shed your skin, all at once. Show us how to walk softly on the Earth, in the beauty way.

To the winds of the West: Otorongo, Mother Sister Jaguar. Protect our medicine space, devour those energies which do not belong to us. Teach us your ways beyond fear, beyond anger, beyond death, beyond guilt, beyond shame, beyond all beliefs that no longer serve us. Teach us to be impeccable, luminous beings.

To the winds of the North: Grandmothers, Grandfathers, Ancient Ones, Ancestors and Guardians of this Land. Teach us your ancient wisdom and the wisdom to come, we honor you who have come before us and will come after us; help us to remember that ancient wisdom directly; Siwarkenti, hummingbird, teach us to drink of the nectar of life, even when the journey seems difficult or long, help us to do that which seems impossible.

To the winds of the East: Hatun Kuntur, Great Condor, Eagle, come to us from the place of the rising Sun, the place of our becoming. Teach us to soar high and see those mountain tops we have only dared to dream of. Take us under your wings, and teach us to fly wing to wing with Great Spirit.

Pachamama, Great Mother Earth - We come here for the healing of all your children, beloved Mother, all our relations that are here not only to sustain us and bring us beauty and joy, but to also teach us with their characteristics, their medicine, helping us along the way. Thank you Mother for sustaining us with your bounty, so that we can be truly free to create extraordinary lives filled with joy, abundance and love.

Taita Inti, Father Sun, Mamakia Grandmother Moon, Hatun Chaska, Star Nations, Star Brothers and Sisters.

Great Spirit, you who are known by a thousand names and you who are the unnamable One Thank you for bringing us together and allowing us to sing the Song of Life.

Thank you for bringing us together and allowing us to sing the Song of Life

Everyone should stand and face each direction in turn. The leader holds hands up to the directions and uses a rattle if desired. Each invocation is followed by a group chant of AHO!

Closing the circle

Closing the circle draws the ceremony to a clear end and indicates that people are free to leave, talk eat etc. Always remember to thank the spirits, the gatherers of the medicine, your assistants and hosts and the participants in your circle.

Some suggestions for closing your circle

We give thanks to Mother Earth, Father Sky, Grandmother Moon and Grandfather Sun, and to all the trees, animals and people who share our planet.

May the Spirit of Kambo and the Great Spirit abide with you, guide you and bless you all. We are all thankful to our Mother, the Earth, for she gives us all that we need for life. She supports our feet as we walk about upon her. It gives us joy that she continues to care for us as she has from the beginning of time.

To our mother, we send greetings and thanks.

AHO

We give thanks for all the Sacred Medicines. They are always waiting and ready to heal us. With one mind, we send greetings and thanks to the Medicines and to the keepers of the Medicines.

AHO

Great Spirit of Kambo
